BeHappy

BEHAPPY CRAFTS(SUZHOU) CO.,LTD

Company Profile

Our company is located in Suzhou, with excellent geographical location and convenient traffic. It takes only half an hour to Shanghai port, which is the biggest port in China.

We are the professional manufacturer of hardware tool accessories, specialized in drill bits, hole saw, cutting discs and various tool sets. Besides, we also supply different kinds of hand tools, include measuring tapes, caulking guns, cable ties, etc.

We have our specialized techniques, advanced production machines and a professional sales team.

We can take the full responsibility for the whole process, including design, manufacture, package and after-sales service. We also provide OEM, accept customize according to client's request.

Jane Zhou

General Manager

Jane founded GOLDMOON in 2010 and served as a chief Executive Officer/Director with overall responsibility for strategic development and execution of the company.

After graduating from university, Jane has been engaged in the hardware industry for 20 years and has single-handedly established the GOLDMOON and BeHappy brand. And she's building her own industrial park.

Jane has accumulated mature experience in market expansion and new product development. Under her leadership, GOLDMOON has successfully cooperated with a number of world famous hardware tool vendors, making GOLDMOON one of the most popular suppliers for importers in the hardware industry.
